2011 Registration Form**

CAMP PHILOSOPHY AGREEMENT

As a participant in a Christian camp experience, I will try to live according to the state Philosophy. I recognize that individuals living in a group have a need for discipline so that they may grow in mutual understanding and appreciation.

I recognize that discipline takes many forms and that it is most effective when it comes from the individual. But I also feel that at times some form of external authority may be necessary. I shall attempt to abide by both internal and external authority.

I also understand and agree that the possession and/or use of all drugs including alcoholic beverages, marijuana, hallucinogens and all other drugs, except prescription drugs, are prohibited during the entire camping experience – this means from the time of leaving home until returning home.

It is my hope and goal to apply this experience in Christian growth to my life. I further agree that my registration is my commitment to participate in this program.

WAIVER OF LIABILITY

The undersigned participating in the Epworth Forest Summer Camp hereby acknowledges the following:

1. *That I have read and agree to be bound by the Camp Philosophy Agreement contained in the Registration form.*
2. *Should my behavior warrant dismissal from the camp, I agree to arrange immediate transportation for myself/my child and absorb the cost of such travel.*
3. *That I have been advised of the activities to be conducted during the camp and believe myself to be physically and mentally capable of participating in the camp activities.*
4. *That I understand the buildings and grounds to be suitable for the activities to be conducted.*

The undersigned further acknowledge that this camp is put on as a Christian learning and recreational activity for campers and is not a profit making activity. I will not hold the camp staff or campgrounds liable for damage for injuries suffered by myself during camp.

I have read the "Camp Philosophy" and "Waiver of Liability" as printed above and signed above as my agreement with both statements. I will not hold the camp staff or campgrounds liable for damage for injuries suffered by myself/my child during camp.
